The following letter No. 5663—422-97, dated 1st November 1900, from the First Assistant to the Resident in Mysore, to the Officiating Dewan of Mysore.

I am directed to say that the Government of India consider it essential that information regarding matters of political or administrative importance, or events which have excited public interest throughout India, should be promptly communicated to them. The matters upon which the Government of India desire to receive the earliest possible information are :—

(1) riots which involve a serious breach of the public peace;

(2) all collisions between Europeans of all classes and natives;

(3) outrages which have a political aspect;

(4) calamities, such as floods or earthquakes, which cause serious damage to life or property; and

(5) all other events which have a political or administrative importance.

2. It is essential that these reports should reach the Resident for transmission to the Government of India with the least possible delay. The Resident would therefore be obliged if the Mysore Durbar would arrange so that he may be promptly informed of the matters mentioned above, it being left to the Mysore Durbar to select or determine the manner in which this is to be done.

3. This preliminary report, should, in all cases of the kind which call for orders from the Government of Mysore, be followed by an official report intimating its decision and communicating the orders passed, as soon as the Government of Mysore has been able to review the facts of the case and arrive at its conclusion regarding them.

No. 7901-39—MIS. 1708, DATED BANGALORE, 12TH DECEMBER 1900.

ORDER THEREON—Communicated to the Inspector General of Police, other Heads of Departments and Deputy Commissioners of Districts for attention.

2. In cases in which further reports will be necessary the officer concerned should follow up this first intimation report by weekly progress reports for every week ending Saturday till the incident and proceedings connected therewith are finally closed. For ensuring prompt attention and disposal all correspondence with the Secretariat taking place in pursuance of these orders should be superscribed "Matter of importance" for report to the Government of India, Government Proceedings No. 7901-39—Mis. 1708, dated 12th December 1900.

Sir,

I have the honor to forward herewith a formal charge against the two Sowars named in the margin* who were arrested last evening by the City Police for Committing an offence under Section 354 of the Indian Penal Code (Assault with intent to outrage the modesty of a woman) and made over to an escort sent for

for the purpose from the

2. The facts of the case are as
follows;

It would appear that
these two men with three of
their Comrades visited the
Lal Bagh and while in
the menagerie attempted
to interfere with some Moho-
medan Ghoska women who
were there at the time and
who in Consequence hurriedly
left the place to avoid further
molestation. The men then
made their way towards
the Tank on the Southern side
of the Gardens where meeting
two Hindu girls - one a Rajput
aged 12 years and the other a
Bakhgar aged 11 years - the
two Sowars named above
seized them. The Rajput girl
was caught hold of by

Bhagwat Sing

Bhagavat Sing who threw her down and sitting upon her, placed his hands on her breast and neck. The other Sowar Bheeshan Sing attempted to throw the other girl who very pluckily struggled with him. The cries of the girls brought to the scene some of the gardeners of the Lal Bagh on seeing whom the two accused Sowars desisted from proceeding any further in their design.

3. I would be much obliged by your kindly letting me know whether the charge will be dealt with by the Military or made over to the Civil Authorities for disposal. In the event of the former course being determined on, I will, on
